Re: David Harry Beattie
case Number 2:09-cr-00103-001
USM Number 30341-068
D.O.B 12-29-1978

Honorable Judge Lancaster,

I have been incarcerated for 16 months on a 60 month sentence. During my time here I have maintained employment with the Prison Electric Shop where I am learning a trade. I have attended a number of classes including Anger-Management and drug education. I have not been written a single incident report and have been no trouble at all.

I David Beattie, respectfully request to have the six months that I was on home confinement credited towards my sentence. During my time on house arrest I was not able to come and go as I pleased, hence I was not a free man during this time.

I thank you for the time you took to read this letter and hope that you take this matter into consideration.

Sincerely

David Beattie-30341-068
